

UNITED STATES JOURNAL FOR HYPERSONICS

Publication Release Form

The United States Journal for Hypersonics (USJH) Publication Release Form must be submitted with the appropriate information and signature, indicating the approval of your government sponsor or program manager to publish your article.

By signing the USJH Publication Release Form, the releasing official is permitting the Texas A&M Engineering Experiment Station, the University Consortium for Applied Hypersonics (UCAH) manager and the Joint Hypersonics Transition Office support contractor, to disseminate this material in accordance with the distribution statement criteria outlined on this form.

At this time, USJH will only accept articles marked as Distribution C for publication.

For assistance with completing this form, contact the consortium manager at UCAH-Admin@tamu.edu.

Appendix

Controlled Unclassified Information (CUI)

Only articles marked Distribution C will be published at this time. If your presentation contains CUI, you must have the proper CUI markings. Articles determined to contain CUI at a minimum, must include "CUI" at the top and bottom of each page of the article.

The CUI designation indicator box must be placed in the lower right portion of page 1 of your article. An example is provided on the right. This information should match the CUI information on the publication clearance form. For organization-specific marking guidance, refer to your security personnel or government sponsor. For general marking guidance, refer to the [DoD CUI Marking Aid](#).
